

MISSION STATEMENT

“To provide children with opportunities to be confident, connected and actively involved lifelong learners who are proactive citizens of the world”.

- 1. As a school we seek to nurture each child’s language, culture and identity.**
- 2. Children will demonstrate a high level of self-worth and resilience. Self-worth and resilience are enhanced by areas such as wairua, spirituality, culture, the arts and sport.**
- 3. Children will be confident, competent, self-motivated lifelong learners. (Striving to reach their best)**
- 4. Children will be inquiring learners who are willing and able to take informed risks.**
- 5. Children will be effective communicators who can work cooperatively and collaboratively. (in English and their home language)**
- 6. Children will be responsible and active global citizens. (Also refer to values page-10 of the N.Z curriculum.)**
- 7. Children are treated holistically.**
